**Copyright.** All information, content, services and software displayed on, transmitted through, or used in connection with this web site, with the exception of User Content as defined below, including for example news articles, reviews, directories, guides, text, photographs, images, illustrations, audio clips, video, html, source and object code, trademarks, logos, and the like (collectively, the "Content"), as well as its selection and arrangement, is owned by Tribune Interactive, Inc. ("TI"), and/or its affiliated companies, licensors and suppliers. You may use the Content online only, and solely for your personal, non-commercial use, and you may download or print a single copy of any portion of the Content solely for your personal, non-commercial use, provided you do not remove any trademark, copyright or other notice from such Content. If you operate a Web site and wish to link to this web site, you may do so provided you agree to cease such link upon request from Tribune Interactive. No other use is permitted without prior written permission of Tribune Interactive. The permitted use described in this Paragraph is contingent on your compliance at all times with these Terms of Service.

You may not republish any portion of the Content on any Internet, Intranet or extranet site or incorporate the Content in any database, compilation, archive or cache. You may not distribute any Content to others, whether or not for payment or other consideration, and you may not archive, modify, copy, frame, cache, reproduce, sell, publish, transmit, display or otherwise use any portion of the Content. You may not scrape or otherwise copy our Content without permission. You agree not to decompile, reverse engineer or disassemble any software or other products or processes accessible through this web site, not to insert any code or product or manipulate the content of this web site in any way that affects the user's experience, and not to use any data mining, data gathering or extraction method.

**Requests to use Content for any purpose other than as permitted in these Terms of Service should be directed to [melissa@tribune.com](mailto:melissa@tribune.com).** In certain cases, you may be able to use individual stories that appear on this web site through online functionality we have specifically designated (e.g., to e-mail a story to a friend or to purchase the rights to reproduce a story for other use).
